MPAP Dashboard v.1.0.7

- Country Representative (Region User) can view all PARF Status in the alerts panel on left. User can click on status number to open all PARFS and line items for that particular status.
- Subnavigation dropdown added for MPAP Home & Submit New PARF.
- User clicks on 5 Approved PARF's.
- Region user gets a quick visual representation of Tier products (1-3) in the pie chart. Hover over section of the pie to show number count for each.
- A list of all approved PARFS is displayed in the datagrid at bottom of MPAP Dashboard
- Click "View All" to see PARF's and Line Items for all Status.
- "Submit New PARF" button is also included in the subnavbar
